MASSAGE Types

BAI-DO: It is a kind of massage only applied in Sudeya Spa centers by blending traditional Bai-do massage techniques and Far East massage techniques in our spa centers. Unlike traditional massage, Baido is a kind of massage which immediately shows the effects of the manipulations that the therapist uses his body weight in more balanced way, as it is applied on massage mat instead of massage table. The hardness degree of the massage and the manipulations that are applied varies depending on the age of the guest who gets massage. After Baido session, you will a deep relief and serenity.

THAI MASSAGE: It is the traditional medical massage of Thailand. It is massage that applies acupressure techniques and stretching moves together which decreases the jitters in the muscles and joints and increases flexibility

THAI REFLEXOLOGIE: It is based on acupuncture. It is a therapy method that is done to stimulate the related organ with electrochemical messages that come out by stimulating the reflex spots on the hands and feet with the help of neurons. The feet are frequently preferred as there are many neural crests. It affects all the organs and blood circulation.

THAI HERBAL MASSAGE: The special bags plant leaves which are all from natural plants and roots are applied to the body after moistening with hot steam. The aim is to benefit from the therapeutical and relaxing features of the plants based on needs. After the massage, you will feel completely rested and relaxed.

BALI MASSAGE: Bali massage is a relaxing and relieving massage that is specially brought from Bali island of Indonesia, applied by the therapists, in parallel with classic Sweden massage applied with pressurized or relax manipulations based on need. In the massage, it is aimed to make the person who takes massage rested and relieved after the massage.

HOT STONE MASSAGE: Hot stones massage is massage type which is developed by Mary Nelson, massage therapist. It is a kind of massage applied by heating basalt stones with a high iron density and putting them on the key parts of the body and is applied with stones by a therapist. After the basalt stones slowly give the heat, you will completely feel free from jitters and rested after the massage.

DEEP TISSUE MASSAGE: It is a massage that is done by applying deep pressures with a low pace to the muscles, ligaments and connective tissues in the deep parts for situations such as Chronic pains, limitations in motive power, postural problems, chronic muscle jitters, fibromiyalgia.

SHIATSU MASSAGE: It is based on acupuncture. It is a kind of massage that is done by stimulating acupressure spots with different various pressure techniques for the aim to benefit from the resting or healing effects.

JIMBARAN MASSAGE: It is a kind of massage where the massage technique in Bali massage is applied by two therapists in combination. The massage is applied with four hands. After the massage, you will feel a deep relaxation.

ANTI STRESS MASSAGE: After the one-hour anti-stress session that is made with aromatic oils, you will feel a full relief and serenity. The manipulations in the massage are slow and deep.

HAMMAM SULTAN MASSAGE: The traditional hammam massage is fulfilled by two people. You will completely feel relaxed after the massage with foams in the hot atmosphere of hammam and navel Stone.
