# NEW LOOKING

# INFINITY

It was built by the Özbaş family in 1964 on the world-famous ladies beach of Kuşadası. Imbat Hotel, which was once a privileged holiday, served Turkish tourism for 54 years. It was among the first hotels preferred by many famous names for holidays. The hotel is located in the world-famous ladies beach of Kuşadası, was purchased in 2018 by YELKEN group.

YELKEN group, which is very experienced in tourism, immediately renewed the hotel and re-designed the hotel's original architectural structure. YELKEN group not only renewed the hotel but also made it its mission to make a hotel that will serve with ULTRA HIGH CLASS CONCEPT and bring a new air to Kuşadası.
