REMODELLING HOTEL LA SIESTA SWIMMINGPOOL

ALEXANDRE HOTELS inform you, that we are going to reform the adult swimming pool of the Hotel La Siesta, according to our strategic plan to increase the quality of our offer.

Dates:

- From 19th November 2018 to 16th December 2018 (both days included)

The remodelling includes:

- Divide the adult swimming pool in two, which means the emptying of the swimming pool.
- Heat one of the swimming pools using more energy-efficient and environmentally-friendly equipment.
- New room for the swimming pool machinery.

Additional information:

- Actually we don't have the work timetables.
- The remodelling works could be sporadically noisy and some heavy machinery will be used (especially during the first 10 days).

For that reason, you must inform the customers, that the hotel will be sold during this period as a hotel without adult's swimming pool. We inform you too, that the customers won't be compensated by the hotel due to reasons arising from the reform of the pool, so the hotel won't admit any complaint.

Shortly, I will have the opportunity to explain you personally every detail of these works. Meanwhile, I will be at your disposition for any additional information you may need.

Yours Sincerely,

Joan-Carles Escofet
