### MEANING OF NASHIRA

Our Hotel located by the sea on Side Sorgun titreyengöl tourism center. Coastal band has a special beach and operates with all inclusive concept in an island Surrounded by sea, lake, river and peanuts forests. This is one of the unique destinations in the world and has a natural coolness due to its micro-climate characteristic. It is called 'RURAL PARADISE'. Visited by 121 species of birds from 18 countries, it is a Caretta- Caretta spawning area. This forestall area harbors various species of plants and wildlife as well. We are an environmentally-friendly hotel dedicated to protecting these habitats.

The meaning of the Word ' NASHIRA' is the ' NOTHERN STAR' which provides guidance, which brings luck and good news, which does not change its location in the universe, which sheds ample lights, which can't be made invisible by other satellites. Also, its first syllable ' NAS ' is the name of a chapter of the Koran and ' HIRA' is the name of the mountain on the Arabian peninsula. Legend says that Our prophet lived in seclusion to complete his spiritual ascent and he found peace by going there in his distressful days. And moreover, Jesus Christ was born in Nashira Region.
