

Palm Hotel 4*

Palm Hotel is a luxury hotel located in Kusadasi, next to the yacht harbour. Palm Hotel offers views overlooking a beach, the Aegean Sea and Kuşadası Marina. It lies about 5 minutes on foot from the many beautiful cool shops and a minute walk from the public beach. In spite of the location to the street, you have no disturbance in the hotel itself from the car traffic. On the contrary, you could walk quietly to the top of the market which sold clothing.

Palm Hotel description : This city and beach hotel was refurbished in 2009&2011 and provides comfortable accommodation with good facilities and a 24-hour reception in the lobby, where there is also a lounge area. The hotel offers a total of 70 rooms. Other facilities at this air-conditioned establishment include 24-hour check-out service, currency exchange facilities and lift access to the rooms. The café, American bar and restaurant offer snacks, dining and drinks. Conference facilities are available, and there is also a laundry service (for a fee). Internet at general areas.

Room description: The rooms have recently been refurbished and offer clean, comfortable accommodation. They are equipped with individually regulated air conditioning and also have a fire warning system and a minibar (for an extra charge). All rooms have a balcony. The bathroom has a shower and hairdryer. Additional in-room amenities include satellite TV and a direct dial telephone, safe box (for an extra charge)

Hotel location : This hotel offers the perfect location for guests who want to be close to the beach but also in the heart of the town. The centre is a pleasant 5 minute walk along the seafront away, and the town beach is just 30 m away. The must-see ancient city of Ephesus is only 18 km from the hotel. Other attractions in the area include the Genoese fort on Pigeon Island, around 2 km away, the House of the Virgin Mary, some 27 km away, and Sirince Village, roughly 30 km from the hotel.
